

October 25, 1967

The Honorable Michael A. Feighan
Chairman
Subcommittee on Immigration and Nationality
The House of Representatives
Washington, D.C.

Dear Mr. Feighan:

I learned today that H.R. 2138 passed the full Judiciary Committee. I know that this major step could not have been achieved without your strong constructive support and efforts.

Thank you in behalf of my exile colleagues and the organization.

Sincerely,

John Richardson, Jr.
President
